

American Lincoln Part

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are known within the industry as providing durable and strong machinery which satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are available in the market under the brand name "Encore". American Lincoln can provide machinery, components and warranty service for these kinds of scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results matter. Recently, this floor scrubber model has been utilized by the architects in different construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location because of the model's supreme performance level and excellent quality for polishing concrete.
