

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on attaining total consumer satisfaction when their buyer is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality values to their customers. Incorporating a rich heritage combined with resilient manufacturing principals, Nissan lift trucks offer many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the business has four distinct production facilities that allow them to continually adapt to their clients continually evolving needs by offering an assortment of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are devoted to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using systems and procedures that limit their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious organization.

Nissan is confident that they will be capable of addressing any client questions or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally authorized sellers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
